## EXPERIENCE

### Cyber Security Engineer ING

📅 Sep 2022 - Present day    📍 Amsterdam, NL

Full-time Cyber Security Engineer. Team: IT & Infrastructure.

### Cyber Security Professional Fox-IT

📅 Aug 2021 - Sep 2022    📍 Delft, NL

My work at Fox-IT consisted of two concurrent functions:

- Full-time **Microsoft Sentinel Team Lead**. Team: Product Delivery. Duties include: Microsoft Sentinel (Azure) managed service delivery/activation and cloud advisory services to customers.
- Part-time **Business Security Consultant**. Team: Risk Management and Governance. Duties include: Cyber Security Scans/Assessments (CSS/CSA) and Security Architecture Reviews (SAR) based on interviews with the client and its suppliers.

### Cyber Security Analyst (MSc Thesis) Secura B.V.

📅 Oct 2020 – Jun 2021    📍 Amsterdam, NL

Full-time **scientific researcher** into the influence of technical and behavioral characteristics on response procedures in cyber security incidents. The thesis provides the scientific basis to meet the requirements for a proactive and reactive response to cyber security incidents (Douma, 2021).

### ASP.NET Core 2.0 MVC Web Developer (BSc Thesis) Co & Co Solutions

📅 Feb 2018 – Jul 2018    📍 Rotterdam, NL

The GDPR imposed new rules for the processing and transfer of sensitive data. In response, I created a peer-to-peer file transfer tool that can be used to encrypt, upload, and transfer up to 500MB of data via email.
